

EXPECT A MIRACLE

EVERYDAY WITH JESUS

NEWSLETTER OF A BETTER COVENANT MINISTRIES

01 EDITION | MAY 2021

■ JESUS CHRIST IS YOUR MIRACLE ■

Today begins the first edition of our newsletter titled "Expect A Miracle Everyday with Jesus". For me this is an exciting title and I believe it is for you too.

To live every day with Jesus is to live with a daily expectation of miracles! Why is this so? Because Jesus Himself is God's miracle for the human condition.

Our need for the miraculous seems to become more dire every day despite the wonders of ever-expanding scientific and technological breakthroughs. It looks like the faster we are able to get from one part of the world to another through the marvels of modern-day jet travels, the faster we seem to spread deadly viruses around. Just when science seems to have invented a vaccine that seems to bring an end to the deadly effects of one virus, another arises that holds us helpless and fearful.

On the economic front just when we think we are riding the waves of an economic boom that promises to lift many from the dregs of lack and want, something happens and there we go one more time crashing downward with the gloom and despair of an economic depression. The result is that the most people live in quiet despair of life.

The good News is that God has not left us in this condition. He did something about it.

Titus 3.3-8

³For we ourselves were also once foolish, disobedient, deceived, serving various lusts and pleasures, living in malice and envy, hateful and hating one another.

⁴But when the kindness and the love of God our Savior toward man appeared,

⁵not by works of righteousness which we have done, but according to His mercy He saved us, through the

washing of regeneration and renewing of the Holy Spirit,

⁶whom He poured out on us abundantly through Jesus Christ our Savior,

⁷that having been justified by His grace we should become heirs according to the hope of eternal life.

These verses are power-packed and contain the answer for the human condition.

First the misery, the sorrow evil that we must deal with in this world is the result of sin. Sin is disobedience and the breaking of the law of God.

The bible tells us "all have sinned and fallen short of the glory of God" (Romans 3.23)

The fact that we as human beings are fallen creatures is self-evident and indisputable. The condition of the human family today can be traced back to the fall of our first parent Adam and Eve in the Garden of Eden.

God in His great love for us all would not quit on us as human beings. He reached out for us and provided a way out.

It tells us in Titus 3.4 "the Kindness and Love of God toward man appeared" Jesus Christ is the kindness and Love of God toward all mankind in a person. Wow! Now we can all relate to God's kindness and love for us all in the person of Jesus Christ. This is not something abstract. Here the gospel is captured in one statement "the appearing of the kindness and love of God in the Person of Jesus Christ."

The Greek word translated for appearing is rich with meaning. It is the Greek word "epiphaneia". This is where we get our word "epiphany" from. This word means the rescuing intervention of God. This is good news for you, for me and for all people in this mess that we call the human condition. Jesus Christ is "God's rescuing intervention" This is why you can live positively everyday with an expectation of miracles. The reason is Jesus Christ who is God's rescuing intervention. Yes, learning to live your life every day with Jesus Christ is to live with a daily expectation of miracles.

THE SECRET OF MIRACLES

The Webster's dictionary defines a miracle as "an extraordinary event manifesting divine intervention in human affairs" Remember that the Divine intervention itself is Jesus Christ according to Titus 3.4.

Jesus manifesting Himself in your life daily means miracles manifesting in your life every day.

John 14.21

He who has My commandments and keeps them, it is he who loves Me. And he who loves Me will be loved by My Father, and I will love him and manifest Myself to him."

Notice it says by doing the word of God we enter a loving relationship with Father God and then Jesus Christ who is God's intervention will manifest Himself in our lives. That is the key to whatever miracle you need today whether it is healing miracle for your mind or body, a financial miracle, or a miracle in your relationship. The secret is doing what God says for you to do in His word.

When we learn to live our lives everyday with Jesus Christ through His word, we can expect miracles to happen in our lives every Day.
